Bradford on Avon photography group exhibition

Where: West Barn, Barton Farm Country Park, Bradford on Avon
When: 10am-4pm, 27th & 28th March

What is YEAR ONE?

In February 2009, a group of local amateur photographers started regular meetings - sharing tips, ideas, and enthusiasm for the art that is photography. YEAR ONE is an exhibition of their work. From 10am to 4pm on Saturday and Sunday, a selection of prints will be on display at the West Barn. There will be workshops and discussions open to all. Members of the Group will be on hand to welcome you and discuss their work. Framed and unframed prints will be for sale.
